

COLOURED PENCILS AND MIXED MEDIA WITH MARIE HAASS

Sat 7 Aug | 12pm - 3pm | Suitable for 16+ yrs

\$170 | \$153 members | BYO coloured pencils and visual diary, all other materials supplied

Discover the versatility of coloured pencils with artist Marie Haass in this three-part course. Combining pencils and a variety of materials and processes including printmaking, students will experiment with a range of colours, textures, and different surfaces. Suitable for beginners and artists looking to expand their skills.

Marie Haass is a French/Australian artist with a practice spanning more than thirty years. She has held six solo shows and numerous group shows, both locally and internationally, and her work is represented in major collections.

RECOMMENDED PENCILS

36 or 24 set of Faber Castell Polychromos Colour Pencils

Or a similar set of at least 24 from Derwent Coloursoft or Prismacolor.

Student quality starter sets are unfortunately not often soft enough for good results.
